

Led Lamp Remax RL-E180

Overview:

Advanced soft light luminous technology, no glare, no stroboscopic
New technology light conductor, long operating life and minimal droop
Eye protection soft light with dizzy-proof light filter
Touch switch with 3 steps adjustable brightness, convenient operation
Built-in rechargeable battery
Three dimensional all-rounded angle to fulfill different environment
Small and foldable design

Key features:

Material : ABS
Input : DC5V, 0.5A
Max Current : 5V/0.5A
CCT : 5000-5500K, 10-12LM/LED, Life time > 40,000 Hrs
LED Quantity : 18pcs. SMD 3014 LEDs
Lighting Method : Direct Lighting
Power Consumption : 1.8W
Luminous Intensity : 350lux
CRI : >70
Working Temperature : <50°
Power Factor : >0.5
Operate Mode : Touch
Product Net Weight : 170g
Product Size : 245mm(H) x 78mm(L) x 78mm(W)
