G2BT

LOW LATENCY BLUETOOTH GAMING HEADSET

G2BT is a stylish, ultra-light (approx 180g) gaming headset with a cyber-style design. Excellent sound quality and precise positioning aid gamers in their quest for victory.

Lightweight design has become the mainstream trend, so we need G2BT to achieve the ultimate in "lightweight", lightweight design does not mean cutting corners, nor does it affect the performance of the headset, it needs to be the smallest, lightest construction to perfectly achieve maximum performance use range. We exceeded expectations after continual refining by the designers, and this quest of the best industrial design allows the G2BT to exhibit a distinct temperament.

The lightweight construction provides for all-day comfort during long gaming sessions, Also friendly to users who wear glasses!

Weight approx 180g
