Never Lose a Connection

Pair your headset faster without dropping the signal; provides a stable and seamless listening experience.

All Day Long

Built-in battery that holds up to 10 hours of power. Makes it a perfect option for you when taking flight, watching late night TV shows, or keeping the entertainment to yourself.

Share with Your Companion

Features an extra AUX output port to simply share music on wired headset with your partner. Great for watching movies or listening to music together whether at home or on airplane.

Versatile Uses

With a compact and portable design, easily convert between a single or dual 3.5 mm plug. Ideal for inflight entertainment, TV, portable gaming, and other gym equipment.
