

Usb 3.2 Gen1 Flash Drive Apacer AH360 Ashy RP

Overview:

Professional and Charming AH360 USB 3.2 Gen 1 Flash Drive

Sleek & Stylish The metallic exteriors characterize AH310, in mirrored silver, and AH360, in black nickel, with a unique personal style and sophisticated look. Bearing modernism and minimalism, the polished surface has a meticulous presence that matches your career success.

High Strength Metal Exterior AH310 and AH360 USB flash drives are designed to offer high speed transmission with large capacity, both encased in a compactly designed metal exterior for optimal protection.

Convenient Strap Hole AH310 and AH360 both come with a strap hole for attachment to other objects, such as a key ring. Users can take their important data wherever they go, without having to worry about losing the cap.

*Strap accessory shown in image is not included in the product.

Different Capacities Available for Your Choice AH360 offers three capacities, 16GB, 32GB and 64GB. You can take work files or entertainment videos with you to serve both work and leisure needs.
