

Usb 2.0 Flash Drive 16/32/64GB Apacer AH115

Overview:

Perfect Craftsmanship

The AH115 adopt zinc alloy, which create a unique and exquisite metallic appearance showcasing the high-tech element. Inspired by the arch roof style of the Sydney Opera House. When light sheds on the curve surface, the texture and quality of zinc alloy are emphasized.

Dust-proof, Water-proof, Shock-proof and Robust

The unibody patented COB technology is applied to build the exquisite metal body to improve holding touch with full curve coverage.

The AH115 is super-mini and lightweight, they have incredibly large storage space up to 64GB for storing 24,000 HD photos and 200+ minutes of Full HD.
