Smart PIR Motion Detection

Get Instant & Accurate Motion Alerts

Adjust motion sensitivity and PIR schedule, making the camera smarter and getting yourself out of false alerts. The camera will immediately alert you in multiple ways when motion is detected, so that you can take prompt action.

Push Notifications
Instant alerts delivered right on your phone.

Email
Sent to you with real-time motion snapshots.

Siren
Powerfully alarms you and deters intruders. Customizable with your own voice.
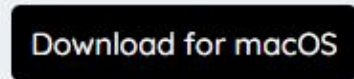

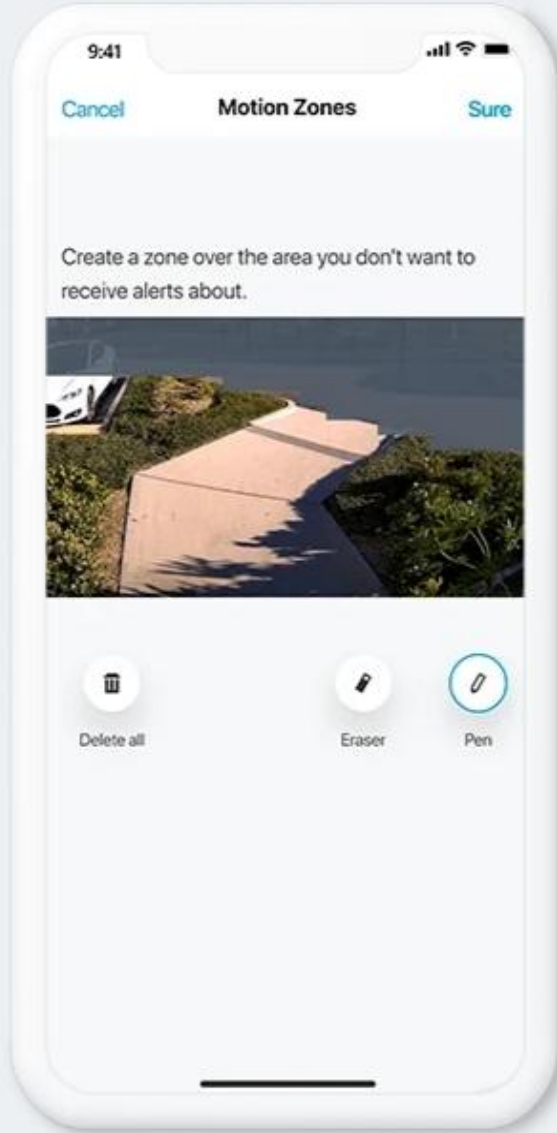

Live View and Two-Way Audio
See, Hear, and Talk

Not only an extra eye for you but also an ear and a mouth. You can live stream your home or business, hear what's happening and talk to your kid, your staff, or the mailman with the built-in mic and speaker. Get involved even when you're not there.

Available on
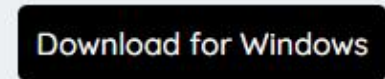

Motion Zone & Recording

Focus on What Matters Most

Customize the motion zone as you like, erasing unimportant areas and only allowing noteworthy matters to trigger recording and alerts.

▨ Motion Zone

Control Your Cameras, Hands-Free

As easy as saying "Hey Google, show me the backyard", you can check what's happening there on your Google Nest Hub or Chromecast-enabled TVs.

Find how to connect Reolink to Google Assistant   >

Ok Google, show me the bedroom camera.

You got it.
